About Us

Founded in 2008, Leox ceramic stands as a key player in the ceramic tiles industry, headquartered in Morbi. As a leading manufacturer of walls, vitrified, porcelain, and parking tiles, our commitment to delivering exceptional quality and innovative designs has set industry benchmarks. Beyond tiles, we provide an immersive experience, reflecting our dedication to modernity and unwavering commitment to excellence. Join us in exploring our extensive tile range designed to elevate and transform living spaces, embodying our passion for creativity and craftsmanship.

Excitingly, we've expanded our product offerings to include Italian wash basins, sanitaryware, and mosaic. This new addition aligns with our commitment to providing comprehensive interior solutions, ensuring the same level of quality, innovation, and modern design that defines Ruhi Ceramica. Experience the synergy of functionality and aesthetics as you explore our enhanced product line, where each piece is crafted to inspire sophistication and style in your spaces.

Quality is Priceless We are here to serve you.

Leox ceramic, headquartered in Morbi, stands as a beacon of excellence in the ceramic tiles industry. As a leading manufacturer of wall, Vitrified, Porcelain, and parking tiles, our commitment to quality and innovation sets us apart. With a vision to be the global leader by 2025, we offer not just tiles but a commitment to aesthetic finesse, sustainability, and unwavering customer satisfaction.

At Leox ceramic, integrity and innovation are the cornerstones of our business. We prioritize the unique needs of every order, ensuring that our products not only meet but exceed expectations. Our dedication to providing top-tier solutions and fostering lasting client relationships defines us – in this space where quality is paramount, we're here to serve you, where excellence is timeless.
